Brand New Book ***** Print on Demand *****.Excerpt from Plain Instructions: To Prepare and Preserve From Rust, Wrought Cast Iron Steel To my friends the public, before the great public, I present myself with homage and respect; and my object for so doing, is to give them information upon a subject which is of immense importance to their interests. To say, that I am going to discourse upon the preservation from Rust, of Iron, Cast Iron and Steel, is to say a great deal; to say Iron, Cast, Iron and Steel can at a very small expense be rendered Rust proof, is to speak volumes to every practical and reflecting mind; yet such is the fact, and I am going to prove it. After more than four years experience and observation in this business in Paris, France, I will relate my views in a plain, unvarnished manner. First, then, I think nearly every article of Iron, Cast Iron and Steel ought to be galvanised; and for the simple reason that it costs so little to do it, and yet when well done it is...
