TIME MANAGEMENT: GETTING MORE THINGS DONE IN LESS TIME (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.With workdays becoming hectic and several tasks from different sections of life looming around, managing time efficiently has become a priority. There are many benefits of managing time. It enhances the quality of work done, gives your workday schedule clarity, avoids unnecessary rush, increases productivity, is a great stress buster and also makes one feel self satisfied. Therefore, putting together an effective time management plan should be a priority. To create a workable time management plan, one has to define goals clearly and then outline all executable jobs to get to these goals. Then, all activities and tasks should be defined, listed, prioritized and scheduled. But, several hiccups and challenges arise even after a sound time management plan has been sketched. Things aren't always smooth sailing and finishing jobs on time is a tough task. This is where time management techniques, tips and tricks come into play. There are so many things that you can do to save time and manage it proficiently. Moreover, assessing your personality and understanding how you respond to time bound challenges also helps with time management. One of the most fundamental ways to manage time is to create a schedule or a planner in which you chart out timelines. Creating a to-do list also helps tremendously. Self management and increasing personal productivity will also help you manage time effectively. Keep a track of your energy level, manage your emotions, improvise decision making strategies, stay motivated and maintain an enthusiastic attitude towards work. Additionally, learn skills that will enhance your productivity like typing and reading quickly and get acquainted with computer based shortcuts and macros. In fact, there is a lot you can...
