Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Save and Borrow Money the Smart Way A Better Way to Save, Borrow, and Recycle Your Family s Money will show you and your family a better way to simultaneously save money and borrow money. If you are looking for the smartest way to save money, borrow money, or if you are contemplating how to get a loan, or even how to save for retirement, then read this book first. Most people believe the bank is the only place to save money or borrow money, and IRA s and 401K s are the only place to save for retirement. However, a bank savings account doesn t allow you to keep earning money when you take money out of the account to pay for an expense. Likewise, neither 401K s nor IRA s allow you to borrow money from them without severe limitations, potentially significant penalties and taxes, and you ll miss out on any potential market gains. There is a smarter way to save and borrow with more flexibility so that your money works much harder for you and allows your family to keep more in their pocket. If you are open to listening to an idea that has been around for close to 200 years and stood the test of time, then consider looking at a participating whole life insurance policy. A participating whole life insurance policy, specifically built with a high cash value as part of the infinite banking concept, allows you to save money and borrow money with much greater efficiency and superior financial performance than any other system you are currently using. This is due to the fact that a properly designed participating whole...
