The Romantic Attack on Modern Science in England and America Other Essays (Paperback)

By Roger Sworder

Angelico Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There are no sacred cows for modern scientists. Ironically, modern science has itself become a sacred cow, of which we hear very little criticism. But modern science has long been denounced by some of the wisest among us: our poets. The long essay in this book considers six of the very greatest poets of the English language since the Scientific Revolution. None of them considered as science what we now call science. Nor did they regard as philosophy what we call philosophy. This essay closely examines just how deep is this chasm at the core of our culture and our values--and it does so through some of the finest poetry in our language. Evolution, automation, and philosophical Taoism are discussed elsewhere in this book. Most people will assume that to champion Romanticism against modern Science is to exalt subjectivism over objectivity, the irrational over the rational, and vagueness over precision. Robert Sworder, however, demonstrates that subjective experience--the universal existence of which is an objective fact--is simply another approach, with its own laws and methodology, to objective truth....
