Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **A World Beater Perfection Cooker** This cooker is a new method of scientific cooking, therefore, the users will find it to their advantage to read this book of instructions, which is calculated to give a perfect understanding for the proper use of Perfection Cooker. The first eight pages fully describe the Cooker and give general information how to operate it. The next seven pages give the time and tell in detail how to cook each article of food. The following two pages give the time only in condensed form required to cook each article. Understanding this, you can at once refer direct to any information desired about Perfection Cooker. With this book and a little practice any one can properly use the Cooker. There are many ways in which the cooker may be used. It requires only a little patience, and is of much advantage to learn them all. First, it can be used as a common kettle. Second, with inside rest and cover without ball and claw, it is a common steamer or double boiler, cooking at 212 of heat or less. With cover, ball and claw screwed down tight, it is a high pressure steam and water cooker, cooking at 20 pounds pressure, 276 of heat up in dry steam or down in the water, perfectly rendering three different services with one vessel at half price and saves its cost in 90 days, as every owner will tell you. The first two methods are well known and need no explanation. As a high pressure cooker, this cooker will cook anything in about one-third of the time with one-fourth to one-sixteenth of the fuel...
