

## In the Presence of Buffalo: Working to Stop the Yellowstone Slaughter (Hardback)

By Daniel Brister

Graphic Arts Center Publishing Co, United States, 2013.

Hardback. Book Condition: New. 216 x 137 mm. Language:

English . Brand New Book. Very few of the 2.5 million people who

visit Yellowstone National Park and who are awed by America's

only continuously wild and genetically pure bison herd are

aware that over the past decade, state and federal agencies

have engaged in the wanton slaughter of 3,500 of these

magnificent animals, solely because they wandered out of

delineated confines of the National Park. Author Daniel Brister

has dedicated his life to protecting the buffalo through field

work and at every level of the policy arena. In the Presence of

Buffalo was inspired by his desire to see the buffalo honored and

respected and the slaughter stopped. This inspiring narrative

weaves personal reflections and stories of the present-day

buffalo slaughter with information gathered through historical,

cultural, and scientific research. Five chapters and an appendix

explore the relationship between human beings and bison, or

buffalo, as they are popularly called in this country.
