

The Second Blessing in Symbol (Paperback)

By Beverly Carradine

First Fruits Press, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The types and symbols of the Old Testament evidently contain as deep a spiritual meaning as the parables of the New Testament, and the whole combine in the revelation of the great doctrines of Christianity. The perfect harmony existing between these two books unites them into one Book. The great doctrine of the Book, the doctrine toward which all other doctrines lead, and in which they all center, is the doctrine of holiness. That God wills, provides for, and demands our entire sanctification from all sin, no candid Bible reader will deny. Methodism teaches in her standards of doctrine that entire sanctification is wrought in the believer's heart subsequent to justification; her founders preached, and her charter members professed, sanctification as a second work of grace. Those who will take the pains to seek will find it so recorded in the sermons, songs, and history of the early Methodists. Our author undertakes to show in this book that this doctrine, the second work of grace, is taught in the types and symbols of the Bible....
