

God's Math: Time to Answer the God (Paperback)

By Hammad Khan

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The war between evil and good is a history that is repeating itself over and over again. It is a never ending cycle that will only break at doom's day with apparently the marginal victory of good. I would say it a marginal victory as the Satan or Lucifer with all of its demons and followers will be bounded to hell. Satan will feel happy as it has captured a lot of God people in his trap. On the other hand, those doomed people were never actually the God's people. Yes, they were the creation of God but like Satan they have followed the path of disobedience. They have to give a full account of their sins to the accountants of God and then they have to pay for them as well. Doomsday will actually be the day of pure mathematics. It will not only include basic arithmetic operations of addition, subtraction, multiplication and division but also include some sort of algebraic equations in it as well. After doomsday, all the rules of mathematics will no...

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer published this book.

-- **Melody Jakubowski**

This composed publication is fantastic. I was able to comprehend everything using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.
