Penguin, New Delhi, India, 2005. Paperback. Book Condition: New. First Edition. According to Osho, Life is nothing but an expression of silence. We come out of silence, but then lose our way. In order to experience this silence again and attain liberation, we need to rediscover the path back to our pure being. Only then can the cycle be complete; then will we be able to reach kaivalya, a state which Osho tells us is higher than either moksha or nirvana. The key is simple: we must not identify with our bodies and minds, as all identification is outwards, and we are going on an inner journey. And Osho emphasizes, as always, the importance of combining intelligence, awareness and humour on this journey. In addition to speaking on the Yoga sutras of Patanjali, Osho addresses questions about life and how to live it without fear of pain, old age or death. Oshos answers are never the same, for he doesnt answer-he responds. As he has often said himself, Your questions may be the same, but the answers of a Buddha always have a new nuance to them, a new flavour, a new fragrance. Printed Pages: 304. Size: 13 Cms x 20 Cms.
