The Concept of Method (Paperback)

By Gerhard R Lomer

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Introduction. THERE is a fundamental community in the method of human experience which transcends the bounds of space or the limitations of time. In spite of the apparent multiplicity of the materials and notwithstanding the obvious variety of ways of teaching and learning, the underlying process of education is essentially the same, for it involves the organization, the control, and the interpretation of the experience of an individual who is developing his personality in a human environment. When, from the point of view of the race, this process of development is raised to social consciousness, Education comes into being as an organised social process of personal development. Since it is conditioned on the one hand by the limitations of the so-called educational materials, and since it is clearly dependent, on the other hand, upon the progressive development of philosophical thought, the method of education has had a varied history and has, at different times, emphasised now one and now another aspect of experience. One has but to glance at the history of education in China, in...
