The subject of Macrame, so well known in ancient times, is now so much in favor that it has already found its way into the principal Courts of Europe, and we take this method of introducing it to the Ladies of America, believing they will find it a fascinating yet simple study. It is remarkable that this knotted Lace, Macrame, in spite of its ancient date, should have been generally unknown in this country, until we had the honor and privilege of introducing it. Its history goes back to a very early date. Knotted threads in the most ingenious and varied designs may be seen in the pattern books of Tagliente and Il Spechio, between 1530 and 1550. We have no doubt that as soon as the subject of this beautiful art is understood, it will be taken up and developed by all true lovers of Lace work.
