Brand New Book ***** Print on Demand *****.JD stepped into the water and opened his RIGS standard issue field agent bag. He pulled out an odd looking device. It was a small mechanical! What a beauty shining in the moonlight. It was a motorboat he built in the work shed. His paws with thumbs moved deftly over the remote control. The odd little boat flew across the water. It shot out a stream of red hot pepper juice at high velocity. The first coyote was struck dead center on the nose and ran for the woods. In the second book of The Classified Files series, our hero JD is still fighting crime, perfecting his craft, and helping others with his daring missions. JD is a RIGS secret agent (Raccoons in Government Service). A secret agent needs a keen mind and sharp skill sets along with the courage and determination to complete his missions. JD must stay well ahead of the criminal element in his territory of Sweet William Farm. He keeps his field agent bag ready and his eyes and ears open. You never know what can happen next.
