G65917 2006i OCLC Number: (OCoLC)291090440 Subject: Information storage and retrieval systems -- Medical care -- United States. Excerpt: . . . 11 tures of the program. Adoption of health information technology is an important healthcare improvement that is being implemented by many of our health plans on behalf of their customers. In our efforts to ensure healthcare rates are competitive and con-sumer choice is maximized, we are encouraging the use of health information technology for medical recordkeeping purposes and for many provider-to-consumer processes. As the administrator of the countrys largest employee health in-surance program, OPM plays a key role in fulfilling President Bushs vision of making medical records easily accessible to con-sumers through the adoption of advanced technologies. Ten days ago, the President signed the Executive order, Promot-ing Quality and Efficient Health Care in Federal Government Ad-ministered or Sponsored Health Care Programs. The order firmly underscores the Presidents continued commitment to the promotion of quality and efficient delivery of health care. With the order, the President is greatly expanding the information that will be made available and he is committing the Federal...
