*An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer published this book.

Brand New Book ***** Print on Demand *****.Excerpt from Reply to an Order by the Chicago City Council: For Information Respecting Improvements Made Under the 1907 Ordinances in Service, Operation and Equipment of the Chicago Surface Traction Companies The physical properties of the Companies are being continually modernized and perfected, the systems extended and the methods of operation improved, and Chicago to-day enjoys higher physical standard of its traction properties than other large cities in the country. In spite of this fact, the existing service and routing into the principal business district are admittedly deficient and rapidly becoming more so. This Board is fully cognizant of these conditions and will assist so far as it can in applying reasonable remedies. Notwithstanding this great improvement in the physical properties of the surface companies (made in compliance with the 1907 and subsequent ordinances), and the improvement in service necessarily resulting therefrom, interpretation of the figures presented shows that the City of Chicago now faces a problem in local transportation as serious as ever before in its history. With the surface railway traffic increasing at an increased rapid rate, largely as a result of the recent rehabilitation, there are no adequate means available now for alleviating the increasing congestion and inadequate street capacity except through (1) - complete unification of transportation lines, segregated as far as practicable into short haul and long haul traffic between surface and rapid transit systems respectively; (2) - additional bridges and tunnels, and finally (3) the construction of down-town subways, terminal and storage facilities. The immediate relief to be found by comprehensive through-routing has already become quite apparent through discussion of these matters before the Committee on Local Transportation. Incidentally, with reference...
