

A Guide for the Heroic Nerd: An Intelligent Way to Pick Up Girls (Paperback)

Filesize: 5.19 MB

Reviews

This sort of ebook is everything and made me hunting ahead of time and more. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this publication to discover.

A GUIDE FOR THE HEROIC NERD: AN INTELLIGENT WAY TO PICK UP GIRLS (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 198 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.If you want to learn how to become a player, this book isn't for you. To be a true player you have to treat women like objects; you can't afford to care about their feelings. In other words-you have to be an asshole. There are enough assholes in the world; I don't need to add to their numbers. If you want to learn how to listen to women, how to become more caring and understanding-again-this book isn't for you. I can only teach what I know and I don't know how to listen, care, or be empathetic. A nerd values his intellect over everything else. You can have any other trait, but if your brain is your defining characteristic, you're a nerd. I'll teach you how to use your best trait to pick up real girls in real places. To use my methods, you must become a hero. A hero refuses to live a life of quiet desperation. At the end of his life, a hero regrets the things he's done, not the things he hasn't. He doesn't regret NOT asking a girl out. Most nerds avoid hard work. Smart lazy people use their intellect to avoid stressful situations. They choose the path of least resistance and then wonder why they accomplish nothing. Picking up real girls in real places is a contact sport. There will be pain. There is no easy path forward. If you aren't brave enough to try, you'll never have an opportunity to succeed. If you don't have the fortitude to throw yourself back into the fray after you crash and...
