Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, Restoring Valor: One Couple's Mission to Expose Fraudulent War Heroes and Protect America's Military Awards System, Doug Sterner, Pam Sterner, Michael D. Mink, "Terrific read. Stories of stolen valor you won't believe, and those who hunt them down and participated in writing legislation to restore dignity to all those who have truly served in combat." -Peter C. Lemon, recipient, Congressional Medal of Honor Stolen valor occurs when a person lies about receiving military decorations that he or she has in fact never earned. It has become a major societal problem that has been discussed numerous times in the news; according to the New York Times, the Department of Veterans Affairs paid disability benefits to more than six hundred people falsely claiming to have been POWs in the Vietnam and Persian Gulf wars. The number of stolen valor cases reported to the FBI has tripled in the last decade. In fact, more imposters lie about earning high military declarations for battlefield bravery than the actual number of real-life hero recipients. These imposters trade on tales and the trappings of military valor to secure privileges such as career advancements and even unearned veterans' benefits. In Restoring Valor, Doug Sterner provides riveting case studies of the stolen valor imposters he's investigated and exposed and the serious crimes-including murder-they've committed. He chronicles the evolution of stolen valor from the inception of the republic to today. Sterner shows why the federal law he and his wife, Pam, helped to enact-the Stolen Valor Act-is necessary.
