

Madrigueras de Castores (Inside Beaver Lodges) (Paperback)

By Associate Professor of Classical Studies Emily Wilson

PowerKids Press, United States, 2015. Paperback. Book Condition: New. 211 x 211 mm. Language: English,Spanish . Brand New Book. Beavers are nature's engineers, and their industriousness begins at home! These busy animals work tirelessly to create elaborate lodges. Though they're important sites of food storage, safety, and raising kits, beaver homes also create and sustain ecosystems. This book, which was written to support elementary science curricula, allows readers to explore important science concepts, including habitat welfare and relationships in the natural world. Readers will learn about beavers' behavior, appearance, survival tactics, and their hardworking spirit. Colorful images, fact boxes, and diagrams offer opportunities for additional learning.

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
