Pub Date: December 2012 Pages: 232 in Publisher: Overseas Chinese Press What is positive energy? The scientists given an explanation: the zero vacuum energy. the energy is greater than the vacuum the substance is positive. energy is lower than the vacuum material is negative. By extension. many other definitions in the literature. for example. positive energy means everything to the people up and hope to promote the constant pursuit. so that life becomes power and feelings of being happy. Well. Napoleon? Hill is how to explain the positive energy it? In this world. the single most important thing there is only one person - yourself. In your body. and always carry an invisible magic. the magic of one side decorated with words - positive state of mind. and the other side is decorated with four words - negative mentality. That being the case. how would you choose? If you do not opt ??for the former. and clinging to it. which will be forced to automatically fingertips. no compromise and compromise between the two. Well. you must be choosing one of the two. Positive state of mind does not have an amazing magic. can be fabricated to conjure up a work to the unemployed. but everything has to be tracked. and ultimately have to rely on our own. Positive mentality towards the essential elements of success. positive state of mind is the most important in the success of the theory a principle. you can apply this principle applied to any work you have done and apply you deal with life any thing. Contents: everything from changing the first part of Chapter 1 is to be successful. the only change...
