To read **The Robert Frost Encyclopedia (Hardback)** eBook, remember to access the button listed below and download the ebook or get access to additional information which are have conjunction with THE ROBERT FROST ENCYCLOPEDIA (HARDBACK) ebook.

ABC-CLIO, United States, 2000. Hardback. Book Condition: New. New.. 240 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****.Often thought of as the quintessential poet of New England, Robert Frost is one of the most widely read American poets of the 20th century. He was a master of poetic form and imagery, his works seemed to capture the spirit of America, and he became so emblematic of his country that he read his work at President Kennedy s inauguration and traveled to Israel, Greece, and the Soviet Union as an emissary of the U.S. State Department. While many readers think of him as the personification of New England, he was born in San Francisco, published his first book of poetry in England, matured as a poet while abroad, taught for several years at the University of Michigan, and spent many of his winters in Florida. This reference helps illuminate the hidden complexities of his life and work. Included in this volume are hundreds of alphabetically arranged entries on Frost s life and writings. Each of his collected poems is treated in a separate entry, and the book additionally includes entries on such topics as his public speeches, various colleges and universities with which he was associated, the honors that he won, his biographers, films about him, poets, and others whom he knew, and similar items. Each entry is written by an expert contributor and closes with a brief bibliography. The volume also provides a chronology and concludes with a general bibliography of major studies.
