Torrey House Press, United States, 2014. Paperback. Book Condition: New. New.. 201 x 132 mm. Language: English . Brand New Book. Treiber sets a rapid thrilling pace. -- THE UTAH REVIEW A thrilling and elegantly wrought debut about the far-reaching effects of our decisions, and our irrepressible desire to undo the worst of them. Treiber is a writer of enormous talents, and Spirit Walk will leave you breathless until the final page. -- JONATHAN EVISON, author of The Revised Fundamentals of Caregiving At once gritty and lyrical, Spirit Walk is a haunting tale of the modern American West. Out of the explosive violence, hard living, and stark beauty of the Arizona borderlands, Jay Treiber has woven a gripping story of remembrance and redemption, beautifully painting the place and giving voice to its people. Spirit Walk bleeds a rawness and honesty missing from much of today s fiction--this triumph belongs within the canon...
