

## Democracy in world politics

By Jan Lüder

GRIN Verlag Okt 2014, 2014. Taschenbuch. Book Condition: Neu. 297x210x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2006 in the subject Politics - International Politics - General and Theories, grade: 1.0, The Australian National University, 0 entries in the bibliography, language: English, abstract: This text concerns itself with answering two central questions of the democratic principle in the current arena of world politics. The questions are: Is international politics ultimately all about power and interest, such that democracy should remain of marginal importance to international relations And If democratic states are 'morally reliable', do we need democratisation of the international system itself, or can we just rely on coalitions of these 'reliable' states The study of International Relations (IR) has long been concerned with Realpolitik, a form of political realism, which puts the self-help (military power) and survival (interest) motives of states at the centre of its inquiry to explain the structural realities of the anarchic international system, which is seen to exist under a constant threat of war. (Waltz, 1979) [Market] liberalism, on the other hand, opposes the realist tradition and aims for the emancipation of humanity. In...
